Shri K. Janardhanan, Advocate, Ernakulam. For *Union*

AWARD

Dismissal of a hotel worker is the issue referred for adjudication by Government as per G.O. (Rt.) No. 1287/79/L&H dated 7-9-1979.

2. The Union had filed a claim statement wherein it is alleged that the concerned workman Shri P.S. Chandra Mohan while employed as a supplier in the hotel belonging to the Management had to enter on leave due to injuries sustained in an accident from 25-11-1978 to 17-12-1978 and that he was denied employment when he reported for duty on the expiry of the leave even though a certificate of fitness was produced. Reinstatement with all benefits is what is claimed.

3. The Management contends that there was no denial of employment. On the other hand it was a case of voluntary abandonment. That being so the workman is not entitled to any benefits.

4. When the case came up for evidence on the above pleadings it was reported by the learned counsel appearing on behalf of the Union that he is no more representing the Union. There was no other representation for the Union and so it was declared exparte.

5. The Management asked to prove its case has filed an affidavit sworn to by the Managing Partner wherein the contentions are affirmed. I accept the affidavit and hold that there was no dismissal or denial of work. Therefore it follows that the workman is not entitled to any benefits. In the result an award is passed finding that there was no dismissal or denial of employment to the workman involved. The workman is not entitled to any reliefs.

AWARD

The matter in controversy referred for adjudication by Government as per G.O. (Rt) No. 716/80/LBR dated 21-5-1980 is the age of a worker for the purpose of superannuation. According to the Union Smt. Muthuveeri, the worker concerned, had not attained the normal age of superannuation when the management had asked her to proceed on retirement in November 1977. The Management in its written statement contends that the concerned employee had attained 58 years, the accepted age of retirement for similar employees, as per her own declaration and therefore there is no basis for the complaint that she was not ripe enough to retire.

2. When the case came up for hearing today before my camp court it was submitted on behalf of the management that the matter had since been settled amicably on the workman receiving all her retirement benefits. The learned counsel appearing on behalf of the Union also conceded that the matter had been settled out of court. An endorsement to that effect is made by the learned counsel on the order of reference.

3. In view of the developments mentioned above, it is clear that there is no subsisting dispute available for adjudication. In the result I pass an award holding that there is no subsisting industrial dispute to be adjudicated upon.

Termination of appointment of 24 workmen by the Managing Director, Pharmaceutical Corporation (IM) Kerala Ltd., Trichur, is the issue referred for adjudication by Government as per G.O. (Rt.) No. 47/81/LBR dated 8-1-1981.

GA. 124/J.

2. The Union did not appear in response to the notice issued from this Court. The Administrative Officer of the Management filed a statement before me stating that the 24 employees involved were absorbed as regular employees with effect from 1-4-1981 as per a settlement arrived at in a conciliation conference. A true copy of the settlement was also filed along with the statement.

3. The absence of the Union is an indication from which it can safely be concluded that the statement of the Management is correct. So I hold that there is no subsisting industrial dispute to be adjudicated upon. In the result an award is passed holding that there is no subsisting industrial dispute to be adjudicated upon.

AWARD

1. This industrial dispute between the above parties regarding the dismissal of Shri. P.J. Kurian on 28-12-1978 was referred to this Court for adjudication as per, G.O. Rt. No. 1623/80/LBR dated 24-11-1980. The case was taken on file and notices issued to the parties. The workman appeared by counsel and filed his claim statement. In spite of a registered notice the management did not appear and as such on 8-4-1980 the management was called, found absent as such declared exparte.

2. The workman was examined as WWI. He stated that he was dismissed on 30-12-1978 without conducting an enquiry. He further stated there are no valid reasons for his dismissal and that he did not do any acts alleged against him in the chargesheet to which he had filed an explanation denying the charges. He prayed for reinstatement with backwages. WW 1 was not cross-examined. In view of the uncontradicted evidence of WW 1 it has to be held that the dismissal of the workman was without any valid and justifiable reasons. Therefore he is entitled to be reinstated with backwages.

3. Therefore I pass the award holding that the workman is entitled to be reinstated in service with backwages, continuity of service, and other benefits. This award will come into force 30 days after its publication in the official gazette.

NOTIFICATION

No. 27034/E3/81/RD. *Dated, Trivandrum, 22nd September* 1981.

S. R. O. No. 1093/81.—The following draft rules to amend the Kerala Survey and Boundaries Rules, 1964, which the Government of Kerala propose to make in exercise of the powers conferred by section 22 of the Kerala Survey and Boundaries Act, 1961 (37 of 1961), is hereby published for general information as required by subsection (1) of the said section.

Notice is hereby given that the said draft will be taken up for consideration on or after 22-10-1981 and that any objection or suggestion which may be received from any person with respect to the said draft before the date specified above will be considered by the Government. Objections or suggestions, if any, shall be addressed to the Secretary to Government, Revenue Department, Government Secretariat, Trivandrum.

DRAFT RULES

1. (1) These Rules may be called the Kerala Survey and Boundaries (Amendment) Rules, 1981.

(2) They shall come into force at once.

2. In the Kerala Survey and Boundaries Rules, 1964,—

(1) in sub-rule (1) of rule 9, for clauses (b) and (c), the following clause shall be substituted, namely:—

"(b) bends and junctions on the boundaries of the survey field and sub divisions.";

(2) in rule 66,—

(a) for clauses (ii) and (iii), the following clause shall be substituted, namely:—

"(ii) bends and junctions on the boundaries of the survey field and sub divisions;";

(b) clauses (iv) and (v) shall be renumbered as (iii) and (iv), respectively.

By order of the Governor,

LIZZIE JACOB,
Additional Secretary.

[P.T.O.]

G. 1454.

Explanatory Note

At present survey stones are planted only on the field tri-junctions and ends of the (G) lines not coinciding with the field tri-junction in all areas surveyed under Diagonal and Offset-system except in the town area. Due to this, survey stones are not planted on the bends and boundaries of each holding during resurvey. This causes much difficulty for the parties to know the boundary of their lands as per resurvey. Considering the high value of the land in Kerala State it is necessary to have the boundaries of each holding properly demarcated with survey stones during resurvey, so that the parties can know the boundaries of their lands and grievances if any with regard to demarcation of their lands redressed. The cost of survey stones and other incidental charges for survey are recoverable from the parties. District Development Councils have also recommended for planting survey stones in all bends of the individual holdings. Planting of survey stones in all bends of the holdings will also help for easy identification of holdings and also prevent arbitrary encroachments on both Government lands and private lands. This is also helpful for updating the survey work during maintenance work. Taking into consideration of all these aspects it has become necessary to amend the Rules 9 (1) and 66 of Kerala Survey and Boundaries Rules to achieve the above object.

(This does not form part of the Notification but is intended to indicate its general purport).

The Bachelor of Industrial Law Degree of the Cochin University is considered as equivalent to the Degree or Diploma in Social Service prescribed for appointment to the post of Assistant Labour Officer Grade II. As such it has become necessary to include the Bachelor of Industrial Law

Degree (B.I.L.) of the University of Cochin in the Special Rules for Kerala Labour Subordinate Service as a qualification for appointment to the post of Assistant Labour Officer Grade II.

According to the amendment to the Special Rules for the Kerala Labour Subordinate Service issued in Notification No. G.O. (MS) 33/79/ L&H dated 8-5-1979 and published as S.R.O. No. 641/79 in the Kerala Gazette No. 24 dated the 12th June, 1979 a Degree or Diploma in Social Service recognised by the Government of Kerala is one of the qualifications prescribed for direct recruitment to the post of Assistant Labour Officer Grade II. Before the amendment was issued, Post Graduate Degree in Sociology was considered as equivalent to the qualification of Degree or Diploma in Social Science. As a result of the above amendment, Post-graduate degree holders in Sociology have been deprived of their opportunity to apply for the post of Assistant Labour Officer Grade II. Government find no justification to deny them the opportunity which they had been enjoying since the Special Rules for the Kerala Labour Subordinate Service came into force. Government have therefore decided to include the Post-graduate Degree in Sociology also as a qualification for appointment to the post of Assistant Labour Officer Grade II.

The notification is intended to achieve the above objects.
